### 4.0 POLICY

**4.1** All employees and students who operate vehicles on campus must have a valid parking permit that can be obtained from Parking Services. Parking Services shall provide each employee and student who operates a vehicle on campus a current set of regulations outlining the rules, regulations, and penalties relating to parking services on campus. It is the responsibility of each UVU employee and student who operates a motor vehicle on campus to read, understand, and abide by the published regulations.

**4.2** Parking Services and University Police shall monitor approved parking and traffic regulations through use of full enforcement authority. Violation records shall be maintained.

**4.3** Parking Services shall make annual recommendations regarding parking and traffic regulations to the Vice President of Finance and Administration, who shall review and submit them to President's Council for review and approval. Input shall be requested from Faculty Senate, UVUSA, and PACE as part of the review process.
