4.0 POLICY

4.1 Admitted students without holds on their student account may register for classes according to published deadlines.

4.2 Students may add or drop classes according to the published add/drop deadlines.

4.3 Students may withdraw from a class after the last day to drop and up to the last day to withdraw. Under these circumstances, a grade of “W” shall appear on the student’s transcript. Tuition and fees are not reversed.

5.0 PROCEDURES

5.1 Registration

5.1.1 After completing required enrollment tasks, students may register for classes they qualify for according to the published deadlines.

5.1.2 To audit a class, students register online, pay tuition and fees, and submit a request to the Registrar’s Office by the last day to withdraw/audit classes. Audited classes shall not be changed to credit status at any future time.
5.2 Changing Class Schedules

5.2.1 Late Registration

5.2.1.1 When attempting to add classes after the last day to add, students must obtain approval by contacting the instructor directly. If they approve, the instructor submits electronic authorization, which clears the student to register for the class. Once the student is registered, tuition and fees are assessed. More information about the late registration process can be found on the Registrar’s Office website.

5.2.2 Dropping Classes

5.2.2.1 Students may drop classes up to and on the published last day to drop deadline. Dropped classes are removed from the schedule and transcript; no record of the class registration shall appear on a student’s schedule or transcript, and all applicable tuition and fees shall be reversed, which may result in the student receiving a refund for the class. (See Policy 505 Tuition Payments and Refunds.)

5.2.3 Withdrawing from Classes

5.2.3.1 After the drop deadline, students may withdraw from classes up to and on the published last day to withdraw deadline.

5.2.3.2 When students withdraw from a class, a “W” grade shall appear on their transcript. Tuition and fees are not reversed.

5.3 Withdrawal Exceptions

5.3.1 After the published last day to withdraw/audit, students attempting to withdraw from a class must submit an electronic request to the Registrar’s Office demonstrating extenuating circumstances. Documentation of the extenuating circumstance is required. Information regarding this process can be found on the Registrar’s Office website.

5.3.2 Students must complete the withdrawal process prior to the last day of the semester (last day of finals).

5.4 Administrative Drops

5.4.1 To initiate an administrative drop, the instructor or their department chair contacts the Registrar’s Office prior to the drop deadline.

5.4.2 Dropping and withdrawing are not the same thing, and have different impacts on student records. Any withdrawal must be initiated by the student. The Registrar’s Office does not accept requests for administrative withdrawal.
5.5 Financial Aid Impact

5.5.1 Any add/drop/withdraw activity may affect student financial aid and scholarship eligibility. Students are encouraged to consult with the Financial Aid and Scholarships Office with questions regarding their aid eligibility.
