This policy describes how students can request record adjustments, refunds, and academic renewal. This policy also satisfies requirements under the *Family Educational Rights and Privacy Act (FERPA)*, which guarantees students the right to request amendments to their education records (see UVU Policy 542 *FERPA*).

4) Last day to withdraw or audit classes

3.8 **Extenuating circumstances**: For the purposes of this policy, a personal, non-academic situation that was beyond the student’s control and prevented the student from successfully completing a course. Examples of extenuating circumstances include but are not limited to

3.8.1 illness or medical event (physical or mental) that incapacitates a student or a student’s immediate family member,

3.8.2 death of an immediate family member,

3.8.3 jury duty that prevents a student from attending or participating in class(es),

3.8.4 active military duty, and

3.8.5 a change in work schedule required by the student’s employer that directly conflicts with a student’s class schedule (this excludes self-employment).

3.9 **Family Educational Rights and Privacy Act of 1974 (FERPA)**: Federal law, as amended, that sets forth requirements regarding the privacy of student education records. FERPA gives students certain rights, including the right to seek amendment to education records they believe to be inaccurate, misleading, or a violation of their privacy.

### 4.0 POLICY

4.1 Scope of Policy

4.1.1 This policy applies to students who may choose to petition the Registrar’s Office for record adjustment, refunds, or academic renewal.

4.1.2 This policy does not address student-faculty grade disputes, which are covered in Policy 523 Grading.

4.1.3 This policy does not address tuition refunds based on standard add/drop deadlines, which are covered in Policy 505 Tuition Payments and Refunds.

4.2 Record Adjustments and Refund Requests

4.2.1 Students who petition for record adjustments must provide documentation about their extenuating circumstances. The documentation requirements and records adjustment request process are explained on the Registrar’s Office website and the online request form.

4.2.2 It is a violation of Policy 541 Student Code of Conduct for students to submit false information or documentation in a petition; doing so may subject students to disciplinary review.
4.2.3 The Registrar's Office will not consider petitions that have been falsified or contain speech found to be in violation of Policy 161 *Freedom of Speech*.

4.2.4 The Registrar's Office will review the documentation of extenuating circumstances for the semester in question and decide if the student has a valid reason for requesting a change to their records. They may consult with other university offices or departments, as necessary.

4.2.5 After the Registrar’s Office confirms that the extenuating circumstances the student documented are eligible, the Registrar's Office may take one or more of the following actions:

4.2.5.1 Withdraw the student from courses

4.2.5.2 Add courses to the student record retroactively (with the approval and a grade provided by the course instructor or department chair)

4.2.5.3 Change credit amounts for variable-credit courses with course instructor or department chair approval.

4.2.5.4 Remove courses entirely from the student record under very limited circumstances such as university error.

4.2.5.5 Request refund/reversal of tuition and fees from the Bursar’s Office.

4.2.5.6 Append an “R” (“record adjustment” or “academic renewal”) to the grade assigned by the faculty.

4.2.6 Appended grades will be excluded from the student’s GPA. The Registrar’s Office shall not remove the original grade assigned by the faculty, thus maintaining a true and accurate academic history subject to the conditions listed below:

4.2.6.1 In the case of active military duty, the Registrar’s Office may take other action in accordance with Policy 522 *Undergraduate Credits and Transcripts*.

4.2.6.2 Record adjustments shall be limited to “E,” “UW,” and “W” grades.

4.2.6.3 Appended grades are calculated into satisfactory academic progress for financial aid purposes and NCAA eligibility.

4.3 Limits and Exclusions to Record Adjustments and Refund Requests

4.3.1 It is not possible to list every potential extenuating circumstance a student could experience. It is also not possible to list every potential limit or exclusion to this policy. The Registrar’s Office must have some discretion to address unique circumstances. The following provides the basic, overarching limits and exclusions but is not an exhaustive list:
4.3.1.1 The Registrar’s Office shall not change instructor-assigned grades to another grade at the student’s request. Instructors are responsible for submitting grade changes by submitting a Change of Grade Form to the Registrar’s Office. See Policy 523 Grading for procedures addressing student-faculty grade disputes.

4.3.1.2 Letter grades “A” through “D-” shall not be changed to a withdrawal status “W” (except for students on active military duty as described in Policy 522 Undergraduate Credits and Transcripts).

4.3.1.3 Courses graded “A” through “D-” are not eligible for refund.

4.3.1.4 Even if a student’s petition is approved, certain fees may not be refundable. These fees include, but are not limited to, course materials, flight expenses, specialized training, and collections efforts.

4.3.1.5 Courses taken in prior fiscal years may not be eligible for refund.

4.3.1.6 The Registrar’s Office will not consider petitions that are missing the required supporting documentation.

4.3.1.7 The Registrar’s Office will not approve petitions that include insufficient or open-ended documentation that is without parameters, date ranges, applicable terms, etc., or that are submitted for multiple terms for the same extenuating circumstance(s).

4.4 Academic Renewal

4.4.1 The purpose of academic renewal is to assist students who have experienced a period of low GPA. Students can use academic renewal to remove a limited amount of previous undergraduate coursework from their GPA. Students may petition the Registrar’s Office for academic renewal only one time during their enrollment at the University. Students who are granted academic renewal are not eligible for academic honors status.

4.4.2 To be eligible for academic renewal, a student shall meet the following conditions at the time they submit their petition:

4.4.2.1 They must be an active student at UVU.

4.4.2.2 Their requested coursework must have not been used toward an existing degree, certificate, or other credential.

4.4.3 The student may request one specific semester of academic coursework to be eliminated from their earned credits and cumulative GPA. The student cannot request the elimination of individual courses within the selected semester.
4.4.4 If the petition qualifies under this policy, the Register’s Office shall annotate the student’s transcript with “Academic Renewal” and append the course grades with an “R.” All coursework shall remain on the transcript, ensuring a true and accurate academic history. No work taken during the selected semester, even if satisfactory, shall apply toward earned credits, GPA, academic standing, and/or graduation requirements.
