4.0 POLICY

4.1 Academic standing is determined by the grades a student earns at the University. A student with their most recent semester grade point average (GPA) and cumulative GPA of 2.0 or higher on a 4.0 scale is in good academic standing. When a full- or part-time undergraduate student fails to maintain a semester or cumulative GPA of 2.0 on a 4.0 scale, the student shall be notified of progressive academic intervention actions.

4.2 This policy does not include nor preclude additional program requirements that may be mandated by specific departmental majors.

5.0 PROCEDURES

5.1 Academic intervention shall be applied progressively in the order described below.

5.2 Alert Status

5.2.1 When a student is not making adequate progress toward course completion and the instructor is unable to resolve the issue with the student, the student may be placed on alert status. A registration hold may be placed on the student's record. The student must then meet with their academic advisor for guidance before the registration hold shall be removed.

5.3 Academic Warning

5.3.1 When the semester GPA falls below 2.0 and the cumulative GPA is 2.0 or above, the student shall be placed on academic warning regardless of alert status. A registration hold shall be placed on the student's record. The student must complete an academic success warning workshop and meet with their academic advisor before the registration hold shall be removed.

5.4 Academic Notice

5.4.1 When the semester and cumulative GPA both fall below 2.0, the student shall be placed on academic notice. A registration hold shall be placed on the student's record. The student must complete an academic notice workshop, develop an academic success plan, and meet with their academic advisor before the registration hold shall be removed.

5.5 Continued Academic Notice

5.5.1 If the student on academic notice fails to raise the cumulative GPA to a 2.0 or above in the subsequent semester, the student shall be placed on continued academic notice. A registration hold shall be placed on the student's record and the student must prepare an academic success plan with their academic advisor as well as the academic standards counselor before the registration hold shall be removed. The student may also be required to attend another academic notice workshop and/or enroll in a college success class.

5.5.2 All students on continued academic notice shall be required to submit an in-progress grade report to the Academic Standards Office in order to register for any subsequent semester(s). The student shall continue to receive advisement from the academic standards counselor, as well as their academic advisor, to monitor and promote academic progress.

5.6 Academic Suspension

5.6.1 When on continued academic notice, a student receiving a semester and cumulative GPA below 2.0 in a subsequent semester shall be placed on academic suspension. The student shall be immediately dropped from enrollment in all current semester classes and a registration hold shall be placed on the student's record. The student shall be suspended for a minimum of one full semester. During this time the student is expected to resolve all academic problems that led to the academic suspension.

5.6.2 To re-enroll at the University, a student must submit a *Petition for Academic Suspension Review* to the Academic Support Committee. This committee shall make suggestions for specific customized interventions to be approved by the Academic Standards Committee. A decision shall then be rendered as to whether, and under what conditions, the student may continue to study at the University. The student must complete the requirements set forth by

the Academic Standards Committee before the registration hold shall be removed.

5.7 Academic Notice Returning from Academic Suspension

5.7.1 When the academic suspension petition is granted, the student is allowed to resume their academic studies under notice returning from suspension. This status allows the student to register for classes under the guidance of the Academic Standards Office, in conjunction with their academic advisor. As long as the student acquires a semester GPA of 2.0 or above in all subsequent semesters and abides by the conditions outlined by the Academic Standards Committee, the student may continue to enroll in classes. The student shall remain on academic notice returning from academic suspension until the cumulative GPA is at or above 2.0.

5.8 Academic Dismissal

5.8.1 When failing to comply with the conditions set forth by the Academic Standards Committee while on academic notice returning from academic suspension, the student shall be dismissed from the University and immediately dropped from enrollment in all classes. A registration hold shall be placed on the student's record.

5.8.2 The student may not re-enroll at the University or submit a *Petition for Academic Dismissal Review* for a minimum of one full calendar year from the date of academic dismissal. During this calendar year, the student may also be required to attend another institution and complete 18 credits with at least a 2.5 GPA. Upon review by both the Academic Support Committee and the Academic Standards Committee, a decision shall be rendered as to whether, and under what conditions, the student may re-enroll at the University.

5.8.3 Any student who returns to the University after being dismissed shall be placed on academic notice returning from academic dismissal and shall be required to follow the academic plan outlined by the Academic Standards Committee.

5.9 Academic Notice Returning from Academic Dismissal

5.9.1 When the *Petition for Academic Dismissal Review* is granted by the Academic Standards Committee, the student is allowed to continue their academic studies on academic notice returning from academic dismissal. The student is allowed to register for classes under the guidance of the Academic Standards Office, in conjunction with their academic advisor. As long as the student acquires a semester GPA of 2.0 or above in all subsequent semesters and abides by the conditions outlined by the Academic Standards Committee, the student may continue to enroll in classes. The student shall remain on notice returning from dismissal until the cumulative GPA is at or above 2.0.

5.10 Appeals

5.10.1 When the student's *Petition for Academic Suspension Review* or *Petition for Academic Dismissal Review* is denied by the Academic Standards Committee, the student may present an appeal to a hearing panel that consists of the Academic Standards Committee and a representative appointed by the President of the Utah Valley University Student Association (UVUSA). After review of the petition, the hearing panel shall determine if the student's appeal is granted or denied. If the appeal is granted, the hearing panel shall determine the conditions for re-enrollment at the University.

5.10.2 If the student is unsatisfied with the hearing panel's decision, the student has the right to appeal in writing to the Vice President of Academic Affairs.
